

Request reference: **4248/13**

Please note the below data are all as at 29 October 2013 (the date of the original request)

1. **How many recorded crimes in your force area were linked to Facebook in each of 2011, 2012 and 2013 to date? (I understand that you can check this by carrying out a free-text search of the “crime method” field on your database.)**

2011	2012	2013*
374	499	595

Please note WMP does not have a “crime method” field relating to Facebook. For the purpose of this request, the MO notes were searched for Facebook

How many people were charged with crimes linked to Facebook in each of 2011, 2012 and 2013 to date?

2011	2012	2013*
138	195	204

Please note the above is a count where a Clear Up Code (CUC) is present against the crime indicates that the crime was detected & at least 1 offender was “charged”.

Please provide a breakdown of what the offences were and how many people were charged with each one.

	2011	2012	2013	Grand Total
Burglary	2	2	2	6
Criminal Damage	3	7	5	15
Other Offences	15	25	26	66
Fraud and Forgery	2	2		4
Robbery		4	3	7
Sexual Offence	13	19	14	46
Theft & Handling Stolen Goods	8	9	7	24
Violence against the person	95	127	147	369
Grand Total	138	195	204	537
