

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria are set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Summary				
	2011	2012	2013	Total
Total Crime	808	523	464	1,795
Burglary (BDH & BOB)	155	107	97	359

Conditions:
