

Request Reference: 5130/14

Ideally I would like this information for 2013-2014:

1. Numbers of annual arrests.

2013/14 – 61,956

2. Number of people on LTB (over 6 months)

Our system shows 510 persons bailed during the period 01 April 2013 to 31 March 2014 where the bail due date was more than 6 months from the bailed date.

3. Pre-charge NFA rates

Count of those arrests at question 1, where custody record disposal was 'No Further Action' = 8,738

4. NFA / Charge rates following LTB (if possible)

Of the 510 persons at question 2; 134 = No Further Action and 77 = Charged

5. Whether your force has a policy of "release & re-arrest" as oppose to using LTB

No
