1. Under the Freedom of Information Act, for the last two years with separate figures for each year I'd like to know how many times police have been called to each GP surgery and hospital in the West Midlands. I'd also like to know the reasons for the call - happy for this to be broken down into types of incident eg xxx cases of burglaries, anti-social behaviour, concerns for safety or welfare, thefts, a missing person, an illegal immigrant, preventing a 'potential breach of the peace', possession of drugs, a bail breach and wanted person, criminal damage and so forth.

Please find below, the number of offences committed at locations recorded as 'hospital', 'health centre' and 'surgery'.
