

Could you provide the total number of complaints made against officers on our streets and not those that reside behind or in an office environment? I would like them broken down by rank and structure and the amounts over the last 3 years.

The table shows all complaints involving officers who are not in office/desk roles (e.g. complaints in relation to those in Force Contact have been removed)

Year	Cases	Total Officers	Inspector	Sergeant	PC	Special
2012-2013	1007	1469	29	158	1274	8
2013- 2014	1096	1557	38	150	1335	14
