

I would like to find out the number of crimes reported to West Midlands Police that have involved social media websites.

Please tell me the total number where 'social media' is involved.

We do not have a searchable system of recording where 'social media is involved, therefore we have provided data using a keyword search of Facebook; Twitter; Instagram; Tumblr; Skype; Oovoo; Grindr; Tinder Social media (however this doesn't not include spelling variations)

Please see table below .

Then please could you tell me specifically whether these sites have been used for the crime: Facebook; Twitter; Instagram; Tumblr; Skype; Oovoo; Grindr; Tinder. Please tally these figures separately.

I would like to obtain the information for the years 31/10/2014-30/10/2015; 31/10/2013-30/10/2014; 31/10/2012-30/10/2013; 31/10/2011-30/10/2012; 31/10/2010-30/10/2011
