

**1. Since March 2015, the number of arrests and the outcomes for the following offences from our custody database:**

**Drive motor vehicle with a proportion of a specified controlled drug above the specified limit**

**In charge of vehicle whilst unfit through drugs**

**Drive a vehicle whilst unfit through drugs.**

Since March 2015, there have been 422 offences committed (including attempts) where an arrest occurred, with 376 offenders.

Please note that an offender may have been arrested more than once and for more than one offence.

We are unable to provide outcomes as we no longer update PNC with magistrate court results

**2. Since March 2015, the number of positive roadside tests categorised by drug recorded.**

<http://foi.west-midlands.police.uk/drugalyser-tests-133916/>

**3 Since March 2015, from our accident system, we may be able to offer Injury Road Traffic Collisions where the contributory factor is `impaired by drugs, this would include medicinal or other**

From our accident system there have been 4 Injury RTC's from March 2015 up to 30 November 2015 for contributory factor 502 - Impaired by drugs (illicit or medicinal). Unfortunately information after December 2015 is not available due to a change in our recording system.
