

**1. Please state how many cannabis factories were found by West Midlands Police in the Black Country for the financial year of 2015/16. Please repeat this request for 2014/15.**

2015/16 = 129

2014/15 = 88

**2. Please state rank the top three towns in the Black Country that saw the most factories discovered by police in 2015/16. Please repeat this request for 2014/15.**

We do not record this data for towns, however in order to assist the Local Policing Unit (LPU) data is

2015/16

Sandwell

Wolverhampton

Dudley

2014/15

Dudley

Sandwell

Wolverhampton

**3. Please state the estimated money value of the cannabis found from all factories discovered in the Black Country for the financial year of 2015/16. Please repeat this request for 2014/15.**

2015/16 = £8,883,900

2014/15 = £10,163,700

Please note that the above data relates to Cannabis Disposal Team (CDT) attended incidents which is the nearest data that we hold centrally and therefore this may not be an exhaustive record. For the Black Country we are using Sandwell, Dudley, Walsall and Wolverhampton LPUs.
