

**REQUEST**

**We can search Walsall, Dudley Sandwell & Wolverhampton NPU's and provide totals for 2016/ 2015 / 2014**

**We are able to search Knife crime, which includes bottles and other similar weapons. We can narrow that down further by including injury but it would then require a free text search in the summary field for "Stab" and provide totals with an outcome of charged.**

**Could you look at offences just involving knives and knife crime however please, but not other weapons?**

Totals for Knife crime for Sandwell, Walsall, Wolverhampton, Dudley, for each specific calendar year. With a word search for "STAB%". The results were then filtered down to remove all weapons except "knife" and further filtered to only show results where offender was charged / summons.
