

I wish to request information relating to the organisation's energy management system. I wish to request this information under the freedom of information act.

Please find my request below, which relates to the organisation's contract relating to their energy management system. Not all organisations have energy management system and if the organisation does not have one please ignore the contractual part of my request (1-6) and concentrate on questions 7-12.

1. The supplier who provides the software to the organisation?
2. The cost associated with the software. Please provide me with the annual spend.
3. What is the brand of the software?
4. What is the duration of the contract?
5. When does this contract expires?
6. When does the organisation plan to review this contract?
7. Can you please provide me with the contract description of the services provided under the agreement with the supplier? This also includes potential extensions and support and maintenance services.

We have recently procured a new software package which is managed within force.

This was purchased as a one off from Systemslink in March 2017. There is no contract, it was a one off cost total £6625 including a training day. This will allow us to complete our CR commitment for the next 3 years.

This system calculates and creates the above mandatory report for our carbon reduction return figures.

All our Utility invoices are currently being uploaded onto this system in preparation of preparing this report.

Q4 to 7 are not applicable.

8. What is the organisation's annual energy spend for the following:
 - a. Electricity
 - b. Gas
 - c. Water

Please see below :

2016-17

Electricity	£3,130,426
Gas	£713,257
Water	£494,347

9. What is the total number of meter points for Electricity for:
- a. Non Half Hourly (NHH) meter points
 - b. Half Hourly (HH) meter points

10. What is the total number of Gas meter points?

11. What is the total number of Water meter points?

Q9 – 11 We are unable to run reports at this time.

12. What is the total number of meter points for specialist gases and liquids?

We do not have any specialised meters

13. Can you please provide me with the contact details of the key person responsible for this contract or around energy management.

14. Can you please send me the organisations' energy management strategy/plan that covers 2017?

Q13-14 There is no formal contract for our software, the Energy Management and strategy plan would sit in Property Services area of business as part of Estates management.
