

Under the Freedom of Information Act, I hereby request a copy of **WEST MIDLAND POLICE FORCE's "Full Interpretation" of the word "Contact"** (in particular, in relation to Prohibitions regarding "Contact" with "Children".)

I am referring to the word "Contact", in particular, in relation to Sexual Harm Prevention Orders (S.H.P.O.s)

I already am in possession of a Summary of the "Interpretation", but I now require the "Full Interpretation" under the Freedom of Information Act.

**Sex offenders who have a SHPO made against them would have a police Offender Manager assigned to managing them and they would be able to advise on the meaning of the order.**

**However this is not recorded information held by West Midlands Police, but is a request for an opinion as to the meaning of terms used in a court order**
