

REQUEST

Can you please provide us with statistics of how many such homes there are/have been in Coventry over the last 5 years and the impact they have had on crime rates?

Answer:

Time period: 01/01/2012- 31/09/2017.

The following data relates to crime reports in Coventry where the location is listed as 'children's home' and it does not necessarily account for reports of crime in the nearby area of a particular home.

Children's Home (All records)							
Month	2012	2013	2014	2015	2016	2017	Total
Total	31	40	50	35	41	22	219

The below table provides a further breakdown where the age of the defendant is recorded as under 18 but not all records that we have extracted relevant to this request have the age recorded.
