

1. The number of offences of Theft of a Motor Vehicle (TOMV), reported to police in the Coventry area since January 1 2017 up until September 30 2017.

= 452

2. The district of Coventry identified on our CRIMES system with the highest car thefts reported.

Stoke

3. Number of attempted car thefts in Coventry in the same time period as above.

Attempted Theft of a Motor Vehicle = 2
Vehicle Interference = 409

Please note that data relating to the offence of Attempted Theft of Motor Vehicle may not give an accurate reflection, this is because unless there is absolute evidence that there was a specific attempt to steal the vehicle e.g. ignition tampered with then the offence would be recorded as Vehicle Interference.
