

Following a search of our Crimes database under the Primary Location Description of Sheltered / Warden Controlled Dwelling we found the below figures:

For each of the financial years 14/15, 15/16, 16/17 and 17/18 to Nov 1 how many crimes are recorded as having happened at sheltered housing and assisted living scheme premises?

**284 crimes**

For each crime could you please state the nature of the alleged offence and if feasible a description of what happened?

**Please see attached**

If it is recorded in an easily accessible form please state the outcome of the investigation. Was it detected/undetected/investigation ongoing?

Were charges brought?
