

Thanks for your response. I will refine my search, but not quite along the parameters you have suggested. In fact, I hope my amendments will make it even easier for you, as I am only interested in sexual offences in terms of this FOI.

- 1) All offences with a sexual element (sexual assault, grooming etc) with a suspect attached where the occupation of the suspect is Hackney Cab Driver, Minicab Driver, Private Hire Operator and Taxi Driver in the Birmingham, Moseley and Kings Heath areas. Then search the crime number against your Docutrak system to see if the status is open. Time period: 2015-present.
- 2) Q2 &3 Recorded sexual offences where the perpetrator occupation is Hackney Cab Driver, Minicab Driver, Private Hire Operator and Taxi Driver, by outcome: Charge, caution etc. MUST include ethnicity. Time period 2014/15; 2015/16; 2016/17 up to and including the most recent statistics on file for 2017.
