

**REQUEST****1. How many Police Constables and Special Constables are Active in Duty?**

Rank	Total
Police Officer	6716
Special Constable	153

**2. How many Police Constables are currently serving Leave of Absences (Leave of Absence - Annual Leave?)**

900 officers were currently serving Annual Leave as at 01/06/2018 being the most up to date strength figures we have.

It's important to note that it was half-term so we would expect slightly higher leave levels than normal.
