

I'm currently piloting a research study with the Institute of Local Government at the University of Birmingham to investigate the effectiveness of social media for appeals for information. It would be great if you could provide the following details:

- Number of calls received
- Number of emails received

Regarding the following crime reference numbers:

- 20BW/32747B/19

- Number of calls received - **0**
- Number of emails received – **1 appeal request**

No other correspondence received via the press office

Information received via the Investigating Officer

The Investigating Officer did not receive any telephone calls from members of the public nor any emails following the press appeal.
