

Request Reference: 12142/19

1) In each of the past five financial years (2018/2019, 2017/2018, 2016/2017, 2015/2016, 2014/2015) I'd like to know the number of incidents that have been flagged as being Mental Health incidents.

See following table

2) In each of the past five financial years (2018/2019, 2017/2018, 2016/2017, 2015/2016, 2014/2015) I'd like to know out of those incidents, how many were attended by police.

See following table

TABLE

Count of incidents with a 'mental health' qualifier and the number of those incidents where a police resource arrived (i.e. incidents attended):

Year	Total Incidents	Resource Arrived
2014/2015	17,414	12,994
2015/2016	19,079	13,621
2016/2017	18,131	12,725
2017/2018	17,961	11,876
2018/2019	17,774	11,158
Total	90,359	62,374
