

For the year ending March 2019 please could you provide:

1. Total number of adults held in detention
2. Total number of adults charged and bailed to court
3. Total number of adults charged and detained for court

For the three figures above please provide a breakdown by a) ethnicity, b) gender and c) whether the offence had a domestic abuse flag or not.

Please note: when counting detention data it will vary when retrieved historically as the date will be overwritten if the person revisits custody more than once during the course of the investigation. The detention data has been taken from the data collected on a monthly basis to ensure every possible record is included.
