

I refer to your response below which you have kindly offered to provide as a replacement for my original request

"1). The number of crimes recorded involving the abuse of a young person where the incident location field has `Madrassa' `Madrasa' `Mosque' `Islamic Centre' or `Muslim School' in the keywords. We can also provide the number of non crimes we have recorded.

2. We can further split these recorded crimes into physical, verbal or sexual abuse according to the offence title.

The data below shows the number of crimes involving the abuse of a young person where the incident location field has 'Madrassa' 'madrasa' 'mosque' 'islamic centre' or 'muslim school' in the location search. These have been further split into 'physical' 'sexual' and 'verbal' abuse according to the offence title.
