

**Request Reference: 12661/16**

**I'd like to know how many drivers each of the speed cameras on the smart motorways around and in Birmingham - on the M42, M5 and M6 etc. have caught over the limit in the last 12 months. In each case I'd like the camera's location i.e. position - on M42 between Junctions 6 and 7 for example, and the number of offences.**

01 November 2015 to 05 December 2016:

M42 NB Junction 6 - 7 - 721 offences

M6 NB Junction 4 - 5 - 1463 offences

M6 SB Junction 8 - 10 - 37 offences
