

Please could you tell me the number of crimes your force has recorded that have been “flagged” as having a hate crime element, where the location of the crime includes the words either “school” or “college”. I would like to make it clear that I am looking for the number of crimes with a hate crime flag at ANY school or college, including academies and free schools, within your police authority area.

Number of Crimes where Primary Location Type Description = 'Educational'	
Date	No of Crimes
September 1, 2015 to July 31, 2016	48
September 1, 2016 to July 31, 2017	76
