

I am writing to ask for some specific information regarding the diversity of West Midlands Police Officers.

I would be grateful if I could be notified how many serving police officers there are who identify as Bangladeshi and out of these officers, what is the highest rank held by a serving Bangladeshi officer.

Please see below breakdown.

Please note: Information in relation to the highest rank held is exempt by virtue of S40 – Personal Information.

Asian - Bangladeshi	22
Constable	19
Sergeant	2
Inspector or above	1
Grand Total	22
