

- 1) Does your police force hold meetings between firearms licensing and stake holders of the shooting community? – **No, Please see below.**
- 2) If stake holder meetings are held, how often are they held?
- 3) If stake holder meetings are held, what date was the last one held?
- 4) If stake holder meetings are held, can you provide a copy of the minutes?

At present we are developing local engagement with stakeholders on a personal basis, with local policing and firearms licensing officers undertaking engagement visits with registered firearms dealers, clubs, local medical councils etc.
