

REQUEST

We could conduct a search of our Command and Control Closed Incidents between 1 January 2003 and 22 April 2018 using the list of keywords Canine, Bipedal, Werewolf, Dogman, and Hyena within the 'Initial Brief Incident Detail' field.

Due to the volume of logs containing the word 'Wolf' or 'Wolves', we would be able to search for the period of 1 January 2013 to 22 April 2018. Providing the total number of incidents that refer to your request involving canine animal sightings, encounters or attacks.

Although a 'total number' is useful. I would really appreciate it if you could provide me with a few more details about each sighting/encounter.

Please see below a breakdown of Incidents by Operational year between 1 January 2003 and 22 April 2018 using the keywords specified, with the exception of 'Wolf' or 'Wolves' we searched the time period 1 January 2013 to 22 April 2018 (due to the amount of logs) To assist we have also provided the Neighbourhood Policing unit and a Summary of the incident.
