

1. The number of reports of thefts of luggage at Birmingham Airport for each of the last five full calendar years (ie. 2013, 2014, 2015, 2016, 2017).

Please see below:

| Year | Total |
|--------------------|-----------|
| 2013 | 3 |
| 2014 | 3 |
| 2016 | 2 |
| 2017 | 2 |
| Grand Total | 10 |

2. In relation to the above, please provide a breakdown of the number of incidents that are suspected to have taken place each year specifically in baggage reclaim areas, if this information is held.

There was only 1 incident, in 2014 that was suspected to have occurred within the baggage reclaim area, however it was a bag that was left unattended.

3. Again, in relation to (1) above, please indicate how many reports led to an arrest and, if possible, to court proceedings in each of the five years for which data is available.

No offences, during this period resulted in any arrests being made.

4. In relation to (3) above, please indicate how many arrests were made of members of airport staff or contractors employed to work at the airport.

As per Q3.
