

Request Reference: 12069/18**1. Details of whether the force offers training to police officers specifically in handling cases in which mental health is a factor (yes/no is sufficient).**

Yes

2. The number of nurses placed in control rooms to tackle mental health issues over the past five years.

None, as we have a mobile triage team

3. The number of cases since 2011 in which mental health qualifier tags were recorded by the force.

Count of incidents recorded during the period 01 January 2011 to 31 July 2018, with a Mental Health Qualifier:

Year	Grand Total
2011	14,912
2012	16,211
2013	17,344
2014	17,022
2015	18,731
2016	18,700
2017	18,089
2018*	10,227
Grand Total	131,236

*To 31 July 2018
