

Please tell me:

1. The name of your force

West Midlands Police

2. The number of police officers (full time equivalent) in the force:

a) at the end of 2013/14 - **7,148.32**

b) at the end of 2018/19 - **6,488.46**

The following questions relate to police officers (not staff or PCSOs).

3. The total number of sickness days taken due to psychological issues or disorders:

a) in 2013/14 - **33,204**

b) in 2018/19 - **41,704**

4. The total number of sickness days taken due to musculo-skeletal issues or disorders:

a) in 2013/14 - **43,043**

b) in 2018/19 - **25,682**

5. The total number of sickness days taken that are in all other categories of sickness except "psychological" or "musculo-skeletal".

a) in 2013/14 - **51,534**

b) in 2018/19 - **58,939**

6. Please specify the names of the categories of sickness that you have included in your answer to question 5.
