

1) Please tell me how many complaints have been made about officers misusing their warrant cards between January 2016 and April 2019?

2) Please give me a break down of what the complaints were about?

3) Please give me a breakdown of the outcomes of the forces' investigations into the complaints?

Can I have the data broken down by years.

2017	Outcome

Please note:

The above only includes complaints by members of the public and only relate to Police Officers / Specials, it does not include police staff.
