

REQUEST**1. How many police vehicles have been involved in traffic collisions in each of the last three financial years (2016-17, 2017-18 and 2018-19)?**

Please see table below

2. Looking at these incidents, how many fatalities were there in each of the three financial years? If possible, please break down the figures to show how many of these deaths were: a) police officers, b) the driver/rider of a suspect vehicle, or c) members of the public?

	2016/17	2017/18	2018/19	Grand Total
Driver/Passengers of Suspect Vehicle	1	2		3
Member of the Public	1	1	1	3
Grand Total	2	3	1	6

The total of fatalities following WMP vehicle contact. Please note that a number of these incidents occurred after the pursuit was abandoned, however they still met the criteria for referrals to the IOPC (Independent Office for Police Conduct – the independent body who oversee police conduct).

3. Please would you provide settlement costs arising from legal claims from third parties following road traffic collisions involving West Midlands Police vehicles for each of the three financial years?

The data provided relates to payments made to third parties including legal costs in the financial years running 01 April through to 31 March

2016 /2017	£902,506.79
2017/ 2018	£1,006,912.62
2018/ 2019	£1,040,210.98

4. For each of the last three financial years (2016-17, 2017-18 and 2018-19), how many repairs were carried out to police vehicles? Please clarify whether or not these figures include any vehicles written off.

Please see table below.

The repair totals do include the written off vehicles.

5. For each of the last three financial years (2016-17, 2017-18 and 2018-19), how many police vehicles were written off?

Please see table below

6. What were the costs of repairing the damage or replacing the vehicles in 2016-17, 2017-18 and 2018-19?

We can't advise the cost of replacements as we don't record our data in this way. We are unable to advise which vehicles replaces which vehicle etc.
