

1. How many times your force has recorded a firearm being discharged in 2018, 2017 and 2016.

The number of Gun Crimes with the Firearms discharge marker

Year	FDM
2016	88
2017	117
2018	109

2. I understand the definition of a firearm being discharged is if it is 'fired - causing injury to a person', 'fired - causing property damage' and 'fired - no injury to person or damage to property'. Please let me know if your force has a different definition.

Definition being there is clear evidence that a firearm has been discharged
