

**REQUEST****Definition of terms for clarity:**

**Homicide – The unlawful killing of a person, to include murder and all categories of manslaughter.**

**Detected homicide case – a solved homicide case whereby a person(s) has been charged or has died prior to charges being brought.**

**Undetected homicide case – a currently unsolved homicide case.**

**Undetected homicide case review – the review of all evidence in relation to an undetected homicide case.**

**Q1. How many reported undetected homicide cases are there within your jurisdiction currently?**

388 recorded

**Q2. Do you currently have a team solely responsible for the review of undetected homicides?**

Yes

**Q3. What is the current standard undetected homicide case review frequency within your jurisdiction?**

28 days

**Q4. During the years 2011 – 2014 (inclusive), how many undetected homicide cases were reviewed within your jurisdiction?**

See below within question 5

**Q5. During the years 2011 – 2014 (inclusive), how many undetected homicide cases were detected within your jurisdiction?**

All murders are undetected initially however we have interpreted your request to mean detected as a result of the review.

We do not have the figures for manslaughters as in those years our Team only recorded details of murders.

Year	Detected	Undetected	Total
2011	34	1	35
2012	40	4	44
2013	31	2	33
2014	24	2	26
Total	125	9	138

**Q6. Does your jurisdiction currently have a Forensic Archaeologist to be called upon as required?**

Yes

**Q7. During the years 2011 – 2014 (inclusive), how many undetected homicide case reviews utilised Forensic Archaeology?**

Would require us to re-visit every single case which would exceed the cost threshold under the Freedom of Information Act.

**Q8. During the years 2011 – 2014 (inclusive), how many undetected homicide cases were detected as a result of Forensic Archaeology?**

Would require us to re-visit every single case which would exceed the cost threshold under the Freedom of Information Act.
