

What are the statistics of the current knife crime rates in West Bromwich? I would like it to be per calendar year please for the last 5 years and for both rate and volume. And West Bromwich Central.

Please see attachment 1

How many fatal stabbings have there been in 2019 in the town of West Bromwich? - **None**

What has the rise or decline been of knife crime in West Bromwich over the last 5 years?

How many reported violent attacks have occurred on the general public using knives/other stabbing objects in West Bromwich in the year of 2019? I would like domestic abuse included if it's used with an offensive weapon. And if so could you subcategorise each offence?

Is knife crime at an all time high in West Bromwich?

What are the age groups who are usually committing knife crime acts?

All types of knife crime is what I would like, could I have the dates over the last 5 years please?

Please see attachment 2 for answers to the above
