

1. The number of women that reported domestic abuse related incidents or offences.**a. In 2019 to date; and****b. In any of the previous five calendar years****2. Please disaggregate this data by those who were British citizens and those who were not.**

As advised in our covering letter, we are unable to disaggregate the data by nationality as our crimes database does not have a recording category for nationality. Therefore, in order to assist, we have provided the number of female victims of domestic violence broken down by self-defined ethnicity.
