

What I would like to know is how many people were fined in 2018 for offences related to the display of their own number plate, whether it be obscured or illegally spaced or displayed in a way not permitted by law. I do not need to know the number of number plate thefts, nor the number of instances in which registrations were illegally swapped.

NB The figures below represent the number of tickets issued where the disposal completion method has been marked as 'paid' or 'prosecuted' in 2018

OFFENCE DESCRIPTION	Paid	Prosecuted	Grand Total
Drive a vehicle when the registration mark fails to conform with regulations	84	7	91
Drive a vehicle with registration mark obscured / indistinguishable	1	1	2
