**Also, for the same period 1st July 2019 to 31st December 2019 can you please tell me how many people have been cautioned and how many charged for violations of the Air Navigation Order rules 94, 95 and 241 involving drones.**

0

**If possible I would like to know if in the first month of operation of the drone registration scheme (December 2019) under ANO 94D any drone operator was fined for failing to register, or under 94F any drone pilot was fined for not obtaining the necessary competency acknowledgement from the CAA.**

No specific recorded information held , however to assist we are advised that this would be the CAA who would deal with this.
