

1. How much revenue in fines has been generated from smart motorways in your police force area, in each of the last five years for which data is available?

Fines are payable to Her Majesty's Courts and Tribunals Service. However, the fixed penalty for speeding is £100 pounds and 3 points. Please see table below for data relating to speeding offences dealt with by way of fixed penalty.

2. How many traffic infringements have been caught through smart motorways in your police force area in each of the last five years for which data is available?

	Education	Fixed Penalty	Prosecution	Cancelled	Ongoing
2015	379	237	145	102	0
2016	119	93	52	40	0
2017	0	0	0	0	0
2018	4,216	4,607	1,353	2,240	3
2019	4,401	2,487	866	782	5,911

3. Have you had to increase staff to process infringements and fines caught through smart motorways? And if so, how many new staff have been added for this purpose in each of the last five years for which data is available?

Yes; 2 members of staff were recruited to deal with the increased activations required by Highways England in 2019.
