Please can you also send the total revenue received or fines issued from NSACs in each year for the past five years, broken down by month.

This information is not held by West Midlands Police - fines are paid to HMCTS so this request should be directed to them.

Please can you provide a breakdown for each offence on the speed recorded compared to the mph limit for where the offence was committed.

This information is exempt by virtue of S31 (1) (a) (b) – Law Enforcement

How many of the people that were offered to take the National Speed Awareness Course had previously taken the course.

In order to locate and retrieve this information we would need to conduct a manual search of all relevant offences in order to see if the course was in relation to speeding, this would exceed the FOI time limit.
