The current hours for McDonalds are 5am to 11pm. The latest application is to extend that to 24 hours.

[redacted] The planning application was used to encourage McDonalds to take measures such as arranging the cutting back of the trees so as not to restrict the light from the council lighting columns.

Constituency Updates:

Hall Green [REDACTED]

[REDACTED]
[REDACTED] Hall Green have seen almost 50% overall reduction in crime in the last few months PCSO focus continues to be on constituencies priority's. Moseley has the highest number of Street watch groups on BHAM east at this current time. High profile arrests have also been made positive result.

There will be a connect and build community meeting on the 23rd February at the Muath Centre Bordesley green this will also have support from Engagement officer from partnerships.

[REDACTED] asked for an update on the closure of Woodland's Road mosque update was given in as much detail as to what could be provide at that time.

Yardley [REDACTED]

Burglary was still having an impact on Yardley constituency [REDACTED]
Officers are out visible reassurance and also a proactive operation on stop and search intelligence lead

Hodge Hill [REDACTED]

Connect and build work across different areas of the constituency continues. Knife crime is down 25% in a month. Albeit during a period in 2018 gun crime was up [REDACTED] can confidently say that there has been not a single shooting from 12th December 2018. Proactive work continues to tackle this.

[REDACTED] following on from community video which went out. Shows the impact communities can have (Good result)

Continue to work on NHW / SW building capacity within the community.
