

I would like figures for the total speeding offences recorded by West Midlands Police in 2020 for:

W/C - March 2 - **1975**  
W/C - March 9 - **2014**  
W/C - March 16 - **804**  
W/C - March 23 - **276**  
W/C - March 30 - **89**  
W/C - April 6 - **0**  
W/C - April 13 - **251**  
W/C - April 20 - **540**

I would also like the figures broken down separately for Wolverhampton, Walsall, Dudley, Sandwell and Birmingham and, where possible, the speed recorded for each offence and what the speed limit on the road was.

**The speed recorded and the speed limit on the road is exempt by virtue of:  
Section 31 (1) (a) (b) (Law enforcement)**

**Please note: In relation to the figure for week commencing 06/04/2020, this is due to a number of issues relating to Covid 19, which included the volume of traffic which had dramatically reduced, resulting in far fewer offences than usual.**
