

Please may I request records of prosecutions/tickets issues for dashcam footage from the general public to West Midlands police since 2019-present.

Any further information such as a % of how many of these caused points/banning from driving?

2019

1,481 were progressed for further action.

Please be advised that 2019 outcome figures are not stored in an easily extractible format, therefore, we have provided approximate figures below.

30% Cancelled

17% Fixed Penalty complied with

37% Driver Education

16% Prosecution

2020*
