

The five shops, supermarkets or commercial premises which were subject to the most call-outs for shoplifting between April 2019 - March 2020 and the number of incidents reported

This search is based on Crimes recorded for Offence 'Theft from Shop or Stall'

We are unable to search incidents/logs accurately for this specifically due to the fact that there is no closing qualifier specifically for commercial premises or shops and supermarkets, this would require reading initial brief detail and this would take over the 18 hours in order to locate and retrieve this information
