

I'm looking into the control of speeding in urban areas. I'm looking for data on the enforcement of 20mph and 30mph speed limits across your jurisdiction. Are you able to supply me with any data regarding the levels of fines and prosecutions issued to motorists in the recent past, perhaps for the most recent whole year for which you have data?

Please see below data for the period 1/1/2020 – 22/1/2021

Speed Limit	Issued	Prosecuted	Paid / Licence Endorsed	Retraining Course Attended And Completed	Cancelled	Not Completed
20	395	26	171	55	57	86
30	41219	3061	7885	13766	7934	8573
