

Since 27 January (to 11th Feb) the number of:

- engagements with the public about coronavirus restrictions at Birmingham Airport –

The number of engagements is not information that we record as these are regular and routine conversations that happen consistently throughout the day, however we can say that we have given 9 directions to leave. This is when we have engaged and effectively dispersed people.

- FPNs given out under the Health Protection Regulations at Birmingham Airport – **NONE**
- arrests under the Health Protection Regulations at Birmingham Airport – **NONE**
