1. How many police officers have contracted COVID-19 since March 1st 2020? I would like this information broken down by month from March 1st 2020, up to and including today's date. If data has not been included up to and including today's date, please provide me with data starting from March 1st 2020, to the latest date where data is available.

Number of Police Officers who have contracted COVID-19 each month (Positive test results – from April 2020 through to 30 November 2020*, plus additional individuals where no date has been recorded against their Positive test):

Month	Total
No Date Recorded	10
Apr-20	24
May-20	4
Jun-20	1
Jul-20	2
Aug-20	9
Sep-20	25
Oct-20	112
Nov-20	102

**Data after November 2020 is exempt by virtue of Section 31(1)(Law enforcement) see covering letter for details.*

2. Of the number of police officers that have contracted COVID-19 since March 1st 2020, how many of them had to take a period of sick leave that lasted over 14 days as a result?

Number of Police Officers who have contracted COVID-19 and had sickness absence lasting over 14 days = 51^

^Data is correct up to 18 January 2021
