

Request Reference**1) The number of cases reported and referred to the dangerous dog unit for the past 6 years. Along with this years current tally.**

Our data are not organised in such a way as to allow us to provide this information within the appropriate (cost) limit of the Freedom of Information (FOI) Act (see attached for details). Instead, the following table shows the number of aggravated offences involving dogs, recorded during the period 01 January 2015 to 24 February 2021:

Year	Total
2015	558
2016	560
2017	610
2018	671
2019	761
2020	783
2021*	114

*To 24 February

2) The number of dog sales, made by your dog unit over the past 6 years. Along with this years tally broken-down by:

- a.) Sales to other government agencies.
- b) Sales to private businesses.
- c) Sales to private households.

Year	Force/Govt Agency	Private Firm	Individual	Total
2014-15	38	10	22	70
2015-16	33	6	23	62
2016-17	38	2	25	65
2017-18	21	2	14	37
2018-19	13	3	11	27
2019-20	31	0	26	57
2020-21 to Jan	7	1	17	25
Total	181	24	138	343

3) The typical private business customer profile and/or their information including any information about sales that I can request under an FOI.

No specific recorded information held - There is no typical private business customer profile. Each individual case is assessed on merit based on the dog.
