

**How many people over the age of 60 (or closest age range) reported a financial crime or financial fraud in your region in 2019 and 2020.**

Year	Number of Fraud Reports
2019	1852
2020	2001

**Please note, this is data sent to West Midlands Police by the City of London Police of the number of Action Fraud Reports we are not able to verify or provide any further information about this data.**

How many people were convicted of a financial crime or financial fraud in your region in 2019 and 2020.

**We do not hold conviction data, but have provided figures where the outcome was charge.**

Year	Charges
2019	265
2020	340

**This is the number of NFRC numbers charged per year. It is worth noting that whilst being charged in that year, they may have been disseminated any year prior or including that year.**

How many reports of becoming a victim of COVID vaccine fraud have there been in your region? Please provide information split by age range if possible.

**We have been made aware of 26 reports to date, we aren't able to split by age and have only one year's data to record.**

**In respect of points 1 & 3 Action Fraud would be able to provide the most accurate data as not all reports are sent to us.**

Please report each category separately for each year.

**Please see the following links for Action Fraud:**
