

Request Reference: 395A/21

I require data from within your authority on the following, please:

Vehicle theft from all areas/locations within your authority over the last two calendar years, per year for each policing district/division. Ideally, I would like to receive data on car theft only, if that's possible, please.

If possible, it would be good to have the data broken down by residential theft please, for example, cars that were stolen from their owner's property.

TABLE 1

'Theft of a motor vehicle' offences recorded during the period 01 January 2019 to 31 December 2019, where Property Sub-Category = Motor Car:

Car Theft - 2019
