

Request Reference: 888A/21

1. Since March 2020 to the most recent date available, how many offenses were recorded by your force in which a firearm or firearms were used?

During the period 01 March 2020 to 31 March 2021, we recorded 753 firearm offences.

a. If possible, please can the number of offences be broken down by category? E.g. Murder, GBH, robbery, assault

See attached spreadsheet

b. If possible, please can the type of weapon be provided (if known)

See attached spreadsheet

2. Since March 2020 to the most recent date available, please provide the offences recorded by your police force in which firearms were reported to have been used by degree of injury or damage? E.g. Fatal injury, required hospital treatment, no injury, damage to property, or equivalent as recorded by your force.

See attached spreadsheet
