

There are five strands of hate crime, I am writing to find out statistics relating to two of these (sexual orientation and transgender identity).

1. The total number of hate crimes in May 2021 where sexual orientation was recorded as a motivating factor.
2. When this month comes to an end please provide an answer to the following: The total number of hate crimes in June 2021 where sexual orientation was recorded as a motivating factor.
3. The total number of hate crimes in May 2021 where a person's transgender identity was recorded as a motivating factor
4. The total number of hate crimes in June 2021 where a person's transgender identity was recorded as a motivating factor.

Month / Year	Sexual	Transgender	Total
May-21	155	21	176
Jun-21	168	19	187
Total	323	40	363
